Dear Mr. Gibson,

Your letter dated June 1, 2000 was the first notice that I received concerning the above mentioned reports.

I have corrected the typographical errors that were on the Summary and Detailed Summary for the Year End Report (7/1/99-12/31/99). And have enclosed new pages that reflect those changes.

As for the questions that you have about the 12 Day Pre-Primary (1/1/00-2/16/00) The contributions that you brought to our attention were given the wrong election coded when a volunteer entered them into the computer. Enclosed you will find new pages for the report which reflect the changes.

Again I apologize for the inconvenience that this has caused to you and the committee.

If you would have any other questions please feel free to contact me.

Sincerely,

Russell
